Harold Weisberg

Excuse me, did you say write a letter to your congressman...?

I decided to see if I could wake up my senator long enough to get interested in the assassination.....

[redacted]

Dear Senator:

I hesitate to write you -- my experience in this area being without exception disappointing -- but I'm moved to try once more to communicate with "my elected representative".

I'm writing to ask you to exert your powers in the Senate to re-investigate the events of Dallas, Texas, November 22-24, 1963.

The Warren Commission has -- deliberately, it seems -- botched the job.

The President has hidden the evidence from us -- apparently, it seems -- until the 21st Century.

The press has -- unconsciously, I think -- overlooked the most shocking story of this Century:

WE DO NOT KNOW THE FACTS IN THE ASSASSINATION OF PRESIDENT JOHN KENNEDY, OFFICER J. D. TIPPITT, NOR LEE HARVEY OSWALD!!!

I implore you to do something to get us the facts.

Thank you,
